

Harbor House Frequently Asked Questions

What is Harbor House Social Club?

Harbor House Social Club offers adults a safe and supportive environment to build friendships and peer support. Members may choose to participate in variety of activities, field trips and recreation.

Who is eligible for Harbor House Social Club?

Club membership is **FREE** for all adults living with a mental illness and addiction that currently receive mental health and addiction services.

How do I make a referral?

Harbor House doesn't have a formal referral process. An individual interesting in becoming a member we ask them to please stop at the club anytime the club is open. The staff will give you a tour of the club and be able to answer any questions you may have.

How do I become a member?

All eligible adults will need to fill out a membership form. Form is available at <https://www.bbhs.org/what-we-do/harbor-house/> or in the club. Once membership form is filled out you are welcomed to start using the club right away!

Do you provide transportation?

No. We do not offer transportation to Harbor House. However, Harbor House is located close to the BCRTA bus line and we have ample parking if you drive. If you are eligible for Universal Transportation Services Harbor House is eligible for that service.

Do you have to make an appointment to attend the club?

No appointments are necessary. Members are welcomed to drop by the club anytime the club is open. Members come and go all day during open hours. There is no set time you have to be there.

Do you provide meals?

No we do not offer meals. The club does have a member's kitchen that has fridges, microwaves and various kitchen utensils so members can pack their lunch. **Currently due to COVID-19 we have closed access to this.
